220mm x 110mm finished size

- ☐ **TRIM LINE:** Finished print size.
- ☐ **SAFE AREA:** All text should be kept within this area.

A bleed edge is not required on this product.

A diagram of a DL envelope layout. It features a large, dark gray rounded rectangle in the center, labeled "NON-PRINTING AREA" in white capital letters. This rectangle is enclosed within a larger, light gray rounded rectangle defined by a dotted line. The entire diagram is set against a white background, which is itself within a larger gray frame.
