Format size to be submitted (3298,5 x 2303,5 mm)
It is advised to let the background and all of the images run through to this edge. This ensures that your printing can be cut needly and this prevents a white edge around your print.

Safe zone (80 mm)
Please make sure you keep your important images and text 80 mm clear of the cutting edges. This prevents a possible cut in the important parts, or that the images are so close to the edge that it results in a sloppy design.
